

# Partnership Grant Application FY2024

"\*" indicates required fields

We invite you to email [grants@freedomsway.org](mailto:grants@freedomsway.org) and set up a time to discuss the development of your proposal prior to submitting an online application. It is our desire to provide as much support as possible to our partners through a collaborative, rather than competitive, process.

We hosted an online outreach session on September 26th to provide an overview of the program and walk through the mechanics of the funding process. A recording of the session is available for reference on our YouTube channel.
